I refer to your pre-application notification received in this office on 2nd September 2026 concerning the above site.

It is noted that a subsequent 28-day notification has now been received which relates to the same upgrade works, ref: DC/26/1557. The Council as Local Planning Authority will therefore provide any comments under this later notification within the required timeframe.

I trust this information is of assistance to you. Should you however require any further information or clarification please do not hesitate to contact the Case Officer as detailed above.

Yours sincerely

Emma Parkes
Head of Development and Building Control
