Application Number: DC/26/1447

TOWN & COUNTRY PLANNING ACT, 1990 (as amended)
TOWN & COUNTRY PLANNING (Development Management Procedure) (England) Order 2015

On behalf of: Theresa Cranmer

In pursuance of their powers under the above-mentioned Act and Order, the Council hereby REFUSE to permit the works specified hereunder, that is to say:

Non Material Amendment to previously approved application DC/23/1258 (Construction of single storey rear extension. Replacement of windows throughout. Removal of asbestos and reconfiguration of ground and first floor layouts) Redesign of proposed roof form.

The Hollyhocks 6 Stane Street Adversane West Sussex

as shown on Plan and Application Number DC/26/1447 submitted to the Council on 08/09/2026. The reasons for the Council's decision to refuse to permit the above works are specified hereunder.

- 1 The proposed amendment would result in alterations to the external appearance of the Grade II Listed buildings which would materially affect the overall character and visual amenity of the development. In addition, the amendment to the rear roof would also potentially have an altered impact on amenities of adjacent occupiers. The proposed amendments would therefore go beyond that which could be reasonably described as non-material under Section 96A of the Town and Country Planning Act 1990.

Schedule of plans/documents:

Plan Type	Description	Drawing Number	Received Date
Elevation plan	Existing, as-approved and proposed	26/678-01	08.09.2026
Location plan		HHC01-03	08.09.2026

Note to Applicant:

Whilst the proposal is not considered to represent a non-material minor amendment, it is open to the applicant to request consideration of the acceptability of the proposal under the minor material amendment procedure or submission of a full planning application. These comments are made on a without prejudice basis and it is suggested you contact the case officer should you wish to discuss this matter further.

Note to Applicant:

Statement pursuant to Article 35 of the Town and Country Planning (Development Management Procedure) (England) Order 2015. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received, in order to be able to, where possible, grant permission.

Right of Appeals

There is no right of appeal against refusal of an application for a non-material amendment. This is because non-material amendments are not covered the relevant legislation which sets out which types of application can be appealed (section 78 of the 1990 Town and Country Planning Act).

If you are aggrieved by the decision to refuse permission for your application, you would need to submit a planning application to seek approval for the proposed amendments. Please speak to your Case Officer for more details.
