Application Number: DC/26/0924

TOWN & COUNTRY PLANNING ACT, 1990 (as amended)
TOWN & COUNTRY PLANNING (Development Management Procedure) (England) Order 2015

On behalf of:

In pursuance of their powers under the above-mentioned Act and Order, the Council hereby REFUSE to permit the works specified hereunder, that is to say:

Erection of holiday cottage (Full Planning)

Lock House Lock Partridge Green West Sussex

as shown on Plan and Application Number DC/26/0924 submitted to the Council on 11/08/2026. The reasons for the Council's decision to refuse to permit the above works are specified hereunder.

- 1 The development, by reason of its siting, scale, form, and associated external works, has failed to demonstrate that it would preserve the significance, setting, and special architectural and historic interest of Lock House, a Grade II listed building. Insufficient information has been submitted in relation to the landscaping, boundary treatments, lighting, parking and servicing arrangements, and the integration of the development within the wider site. The proposal would result in harm to the character and appearance of the site and immediate surrounds and to the setting of Lock House. There are no benefits which would outweigh the identified harm. The proposal is therefore contrary to Policies 32, 33 and 34 of the Horsham District Planning Framework (2015) and the National Planning Policy Framework (2026).
- 2 The site lies immediately adjacent to Ancient Woodland, an irreplaceable habitat. It has not been demonstrated that the development would avoid direct or indirect harm to this habitat, contrary to Policies 25 and 26 of the Horsham District Planning Framework (2015) and the National Planning Policy Framework (2026).
- 3 Insufficient information has been provided to demonstrate that the proposed development would have no adverse impact on protected species and its habitat, contrary to Policy 31 of the Horsham District Planning Framework (2015) and the National Planning Policy Framework (2026).

ADDITIONAL INFORMATION

Right of Appeals

If you are aggrieved by the decision to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.

You must appeal within 12 weeks of the date of the decision notice for a householder application or 'minor commercial' (shop front) development, and within 6 months for other types of planning applications. There are different timescale – usually 28 days – if an enforcement notice is/has been served for the same (or very similar) land and development. Please note, only the applicant possesses the right of appeal.

Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are at <https://www.gov.uk/government/collections/casework-dealt-with-by-inquiries>.
