Non Material Amendment to previously approved application DC/25/1329 (Change of use of volunteers agricultural storage barn to 1 no. residential unit) relocation of drain to front of building, installation of back door, west facing sliding glass door, kitchen window to eastern elevation and installation of flue.

Lacewood Lodge Priory Fields Monastery Lane Storrington

to be carried out in accordance with Application No. as amended by application No. DC/26/1443 submitted to the Council on 07/09/2026 (as modified by relevant conditions, if any) and subject to compliance with the plans/documents and conditions specified.

Emma Parkes
Head of Development and Building Control

Date: 05/10/2026

REFUSE the installation of a flue for the following reason:

- 1 The flue would introduce an alteration which did not form part of the original planning permission. The addition of a flue would go beyond that which could be described as non-material under Section 96A of the Town and Country Planning Act 1990.

PERMIT the relocation of drain to front of building, and installation of back door, west facing sliding glass door and kitchen window to eastern elevation, subject to the condition(s) hereunder:

- 1 **Plans Condition:** The development hereby permitted shall be carried out in accordance with the approved plans listed in the schedule below.

Schedule of plans/documents:

Plan Type	Description	Drawing Number	Received Date
Plans	Proposed (WITH THE EXCEPTION OF THE FLUE)	2941/2D	07.09.2026

Reason: For the avoidance of doubt and in the interest of proper planning.

Note to Applicant:

This decision only relates to the non-material amendments sought and is not a reissue of the original planning permission, which still stands. The two documents should be read together.

Note to Applicant:

Statement pursuant to Article 35 of the Town and Country Planning (Development Management Procedure) (England) Order 2015. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received, in order to be able to, where possible, grant permission.

ADDITIONAL INFORMATION**Planning Permission – Important Provisos**

If planning permission has been granted, please note that your Notice of Decision refers only to consideration of your proposal under the Town and Country Planning Acts. It is not a building regulations approval and does not mean that you can disregard other Acts of Regulations, or avoid any other legal obligations. Some of these obligations, of particular relevance to your proposal are referred to elsewhere in this note. Before you proceed with your proposal you should ensure that a Building Control application is not required, or has been submitted. The Building Control Department can be contacted on 01403 215151.

If this permission relates to new dwellings, commercial premises or other buildings which will require a new postal address you should contact the Council's Street Naming & Numbering Department as soon as possible or before work commences on site. Further details are available on the Street Naming page on the Council's website or alternatively e-mail streetnaming@horsham.gov.uk or telephone 01403 215139.

It must be stressed that the information included on this Notice of Decision may not include all your legal obligations, and it does not grant you rights to carry out works on or over lands, or to access land that is not within your control or ownership.

Compliance with the Approved Plans and Conditions

The development hereby approved must be implemented in accordance with the approved plans and any conditions set out in the Notice. Some of the conditions may specify that works are to be carried out, and/or details submitted and approved before all or part of the development is started. These will appear in the 'Pre Commencement Conditions' section of the Notice.

If works on implementing this permission is started without these requirements being fully met, the development may be unauthorised and the permission invalidated, and could lead to enforcement proceedings or in some cases to prosecution.

Amendments

Should alterations or amendments be required to the approved plans, it will be necessary to apply either under Section 96A of the Town and Country Planning Act 1990 for non material alterations, or under Section 73 of the Act for minor material alterations. An application must be made using the

standard application form and you should consult with us, to establish the correct type of application to be made.

Monitoring

Horsham District Council monitors the implementation of planning permissions. Please be aware that monitoring officers may visit the application site at various stages of the development to ensure compliance with the approved plans and conditions.

Conditions Compliance

Requests for confirmation of compliance with conditions associated with that permission should be made in writing or by using the application form 'Approval of Details Reserved by Conditions'.

A request may be for confirmation that one or more conditions imposed on the same permission have been complied with. We aim to respond within 8 weeks of receipt of the request.

Right of Appeals

There is no right of appeal against refusal of an application for a non-material amendment, or against conditions imposed. This is because non-material amendments are not covered the relevant legislation which sets out which types of application can be appealed (section 78 of the 1990 Town and Country Planning Act).

If you are aggrieved by the decision to refuse permission for your application, or to grant it subject to conditions, you would need to submit a planning application to seek approval for the proposed amendments. Please speak to your Case Officer for more details.
