Reasons for comment:	- Design - Other
Comments:	re Single storey side extension. The proposed extension is on our boundary line. The proposed extension will be too close to our property. Once the roof is on and the gutting is attached the proposed extension will be over hanging our boundary. This is not acceptable. This will reduce our side access, not acceptable. We do not want our fence interfered with again by the builder, as it was last year when the builder was erecting the wall that was not on the plans.

Kind regards
