Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other - Overdevelopment
Comments:	Horsham is a lovely town & it is getting over developed where developers can not sell the houses they are building now,it is difficult enough to get a doctors appointment as it is,they haven't allowed for any infrastructure,that means more inconvenience for drivers trying to get to their place of work with parts of the roads shut off with traffic lights causing more congestion for weeks/months on end with endless hgv's entering the proposed site causing damage to the roads,there is enough pot holes & bad

roads in Horsham as it is, it's greedy developers that are exploiting the planning system.

Kind regards
