Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	Much needed improvement to current school, which will offer not just an improved learning environment for local children but it will also offer much needed community facilities allow the school to become more embeded in this community. The designs seem well thought out with little to no great impact for neighbours, or at least no more then those on Greenway and Merryfield should have expected, when buying a property next to a school!

Kind regards
