Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Loss of General Amenity - Other - Trees and Landscaping
Comments:	I object to application DC/26/0509. The site lies in open countryside outside the Rudgwick built-up area boundary, where new market housing is generally resisted. As such, the proposal conflicts with the development plan and represents an unjustified encroachment into the countryside. It is contrary to national planning policy requiring decisions to be taken in accordance with

the development plan unless material considerations indicate otherwise, and to policies that protect the countryside from inappropriate residential development. It also conflicts with Horsham District planning policy on settlement boundaries and countryside protection, and with the Rudgwick Neighbourhood Plan, all of which direct development to appropriate locations within the defined built-up area. Granting Permission in Principle here would undermine that plan-led approach and harm the rural character of this part of Lynwick Street. The application should therefore be refused.

Kind regards
