Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other
Comments:	The signage is garish and not in keeping with the character of the area. The signage is the brightest and most nasty looking in the whole of the High Street, let alone the conservation area. To allow signage of this nature in a Conservation area is a travesty of having Conservation areas.

Kind regards
