SUBJECT:	S106/26/0009 Application to discharge schedules 5 and 8 of the S106 Agreement for DC/24/0699
DATE OF SITE VISIT:	n/a
RECOMMENDATION:	More Information

Discharge of schedules 5 and 8 of the S106 agreement.

I also believe schedule 5 is not a highway condition therefore we would not discharge this.

Further to PROW comments on the schedule 8 concerning the type of surfacing used by the applicant, WSCC support the revised surfacing of the footpath and would ask the applicant to provide more information based on the information requested by PROW team for a limestone surface.

More information required.
