Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Other - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	I believe this proposal would further exacerbate the issue of traffic congestion which is already a significant problem at Moorhead roundabout. This proposal would drastically damage & impact on the wildlife &

eco-system through car pollution, light & noise. It would cause significant harm to the beauty of the landscape of the High Weald. There is not the local infrastructure to support such a drastic proposal.

Kind regards
