Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Trees and Landscaping
Comments:	Strongly object. As one of the last large Green spaces left in Horsham the area would really suffer from this development. The traffic to the roundabout is already bad. There is also a massive impact on wildlife. We walk our dog through that field most Mornings, you see families of deer, [REDACTED] foxes, red kites and buzzards among many other species. I don't understand how you can justify destroying that wildlife when Horsham has grown so much already. It's got to stop somewhere.

Kind regards
