Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Other - Privacy Light and Noise - Trees and Landscaping
Comments:	I object to these houses being built. This will destroy the habitat to the many wildlife whom reside in this area. The noise pollution will ruin the tranquility in this area and add to light pollution. The traffic at moorhead roundabout is already busy and very dangerous and this will add more traffic to the roundabout. This will increase the

population in horsham but we still do not have another hospitals or secondary schools to support a population increase.

Kind regards
