Details of the pre-application advice received

The principle of developing the site has been established following the grant of outline planning permission DC/16/1677. The pre-application proposal is for the approval of the reserved matters for RM Area 4. The proposal is in general conformity with the parameters plans (subject to details on density and confirmation of the building heights). Comments are made on the design and housing mix which will need to be addressed in the future reserved matters application.

Please refer to the Planning Statement prepared by Savills for further information.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
- ☒ No
