Commenter Type: Member of the Public

Stance: Customer made comments in support of the Planning Application

Reasons for comment: - Other

Comments: The riverside is so close to where we live. The outdoor space is in keeping with the area and is lovely to sit outside and meet other people local to the area. The owners have done so well to bring the community together as there is no where else like it in Pulborough.
The only inconvenience is not being able to walk down church hill!

Kind regards
