| Comments:            | I object to the building of 120 homes at Newhouse Farm. The roads the land backs onto are busy enough as it is. The Moorhead roundabout gets snarled up with traffic so would be even worse. We need a clear green belt area for the local wildlife. There are so many developments round Horsham as it is this would just add more road chaos without any additional amenities. |

Kind regards
