Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	We need more housing, especially in a town as expensive as Horsham. We all know young people especially are struggling, we all know we need more housing with a growing population - but nobody wants it on their doorstep. There is plenty of wildlife all around Horsham that is accessible. This is not more important than real people having somewhere to live.

Kind regards
