Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment
Comments:	This area is on the edge of Roffey, and really popular with walkers from nearby residents. It is close to a popular and well used allotments at Beech Road. It has resident bats and deer in this area along with a wide range of other fauna and flora. For all these reasons I dont believe this is the right area for a new housing devolpment.

Kind regards
