Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	This area is already over developed and has created excessive amounts of traffic along the A264, it destroys country side, trees that support large amounts of water to stop flooding and water logging, natural habitats of animals, more light polishing and an infrastructure that will struggle to take the extra houses, any more

development and the town will be so over run we won't be able to move, it's already to access parking in town to get necessities for the week, it's all becoming unbearable

Kind regards
