Details of the pre-application advice received

I emailed Tamara checking whether HDC would grant me permission to widen the only main window at my converted garage structure and she said that would be a possibility.

I also informed Tamara that the builders had given me 10 days and she said I could chase the officer responsible for my application to speed it up once the application has a reference number.

Meanwhile, I will not proceed with that window adjustment until I get a decision from planning department. Tamara advised me that the kind of the application that I have made takes 28 days and that is what it says on the portal.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
- ☒ No
