Subject: RE: Planning Application Consultation - DISC/26/0234

Good afternoon,

The applicant has demonstrated careful and deliberate consideration of the foul and surface water drainage strategy, in response to the proposed development. The applicant has provided a reasonable level of information and justification for the proposed drainage strategy, demonstrating that the proposed development will not increase flood risk on or off site. HDC Drainage consider that surface water and foul can be managed appropriately. As such, on review of the information provided, and given the scale and nature of the proposed development, HDC Drainage have **No Objection.**

Kind regards,

Amy Furness

Drainage Officer
