Reasons for comment: - Overdevelopment

Comments:

I don't think I could object to this any stronger. What an embarrassing proposal. Getting doctors appointments, dentist appointments, and school places is hard enough without needlessly overcrowding and destroying what is a lovely village. The consideration shown to existing residents with this plan is a disgrace, and I hope the council see sense soon enough. A frankly disgusting proposal that benefits a grand total of 0 (zero) people. Object!

Kind regards
