Dear Sir/Madam,

Proposal: Demolition works. Replacement of existing dwelling with detached chalet bungalow.

Site: Bentons Cottage, Bentons Cottage Office Bentons Lane Dial Post West Sussex.

Thank you for your correspondence, please see our comments below regarding the above application.

Private assets

Southern Water has indicated an existing private pumping station and sewer crossing the site. As it is private, Southern Water has no further comment regarding the assets.

Connection to public sewer

Southern Water requires a formal application for a connection to the public sewer to be made by the applicant or developer. To make an application visit Southern Water's Get Connected service: <https://developerservices.southernwater.co.uk> and please read our New Connections Charging Arrangements documents which are available on our website via the following link: <https://www.southernwater.co.uk/developing-building/connection-charging-arrangements>

We request that should this planning application receive planning approval, the following informative is attached to the consent: Construction of the development shall not commence until details of the proposed means of foul sewerage and surface water disposal have been submitted to and approved in writing by the Local Planning Authority in consultation with Southern Water.

Surface water discharge proposed to existing watercourse

The Council's technical staff and the relevant authority for land drainage consent should comment on the adequacy of the proposals to discharge surface water to the local watercourse.
