Dear Sirs

Please find attached our planning application for minor non material amendments to planning consent DC/25/1329. We attach our cheque for your fee of £53. There is an explanation for the changes on your forms, but just to confirm the window changes cannot be seen from any public areas or adjacent houses. The back door and home office will allow us to continue with our volunteers re-wilding and maintenance of Matt's Wood and Priory Fields. The change in entrance porch design we have not listed as we now find we can accommodate the full rain water collection and keep the original pitched design however we are happy to have the option. If there is any more information you require or an amendment plan showing the already approved entrance porch please let us know.

Many thanks

Yours faithfully
