Subject: RE: DC/25/0180 - PP-13750630 - Ringley Road

[redacted]

I have spoken to our surveyor, the works on T10, Common Hawthorn, are an advisory to our client and shouldn't have been ordered this time round, so we will not be undertaking any work on this tree at this time, so it can be removed from the application. Apologies for the confusion on that.

I will need to speak to our client regarding replanting works, can the application continue on without that information.
