Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Overdevelopment
Comments:	After the building of houses at summers farm and further expansion of the campsite by building of holiday chalets the area is overcrowded by new properties The main issue of access from chapel lane opposite a busy village

shop and pub almost nextdoor is evidence of inappropriate location for this additional number of buildings

Moreover the pressure this development puts on water resources medical services and parking in the immediate area is again the evidence of wrong location

Kind regards
