Reasons for comment:	
Comments:	I write to confirm that I am aware the fields on the farm are cut several times a year for hay/silage and I have purchased hay [REDACTED] for the past few years for my own animals. Whilst at the farm I have seen that her barn is used for storage including for fencing, tools and machinery for use on the land. I support this application and I feel that it fits within the criteria for schedule 2 part 3 class q of the town and country planning order 2015. If you require any further information please do not hesitate to contact me.

Kind regards
