Reasons for comment:	- Trees and Landscaping
Comments:	This application makes no sense. There is NO Sycamore tree at the property Thrums, Westward Lane, West Chiltington. I therefore have no idea of which tree is intended to be the the subject of this application I have been living in a property adjoining Thrums for more than 30 years so know of most existing trees. I have checked with the previous owners of Thrums who have confirmed there is/has been no Sycamore tree at this location. Therefore this application has no foundation and must be refused.

Kind regards
