Dear Sir/Madam,

Proposal: Approval of details reserved by condition 3 (drainage strategy) to approved application DC/25/0803.
Site: Units 4 to 5 Redkiln Close, Horsham, West Sussex, RH13 5QL.

Thank you for your correspondence. Please see our comments below regarding the above planning consultation application.

Following a review of the document submitted Southern Water has no objections to the discharge of condition 3 (drainage strategy).

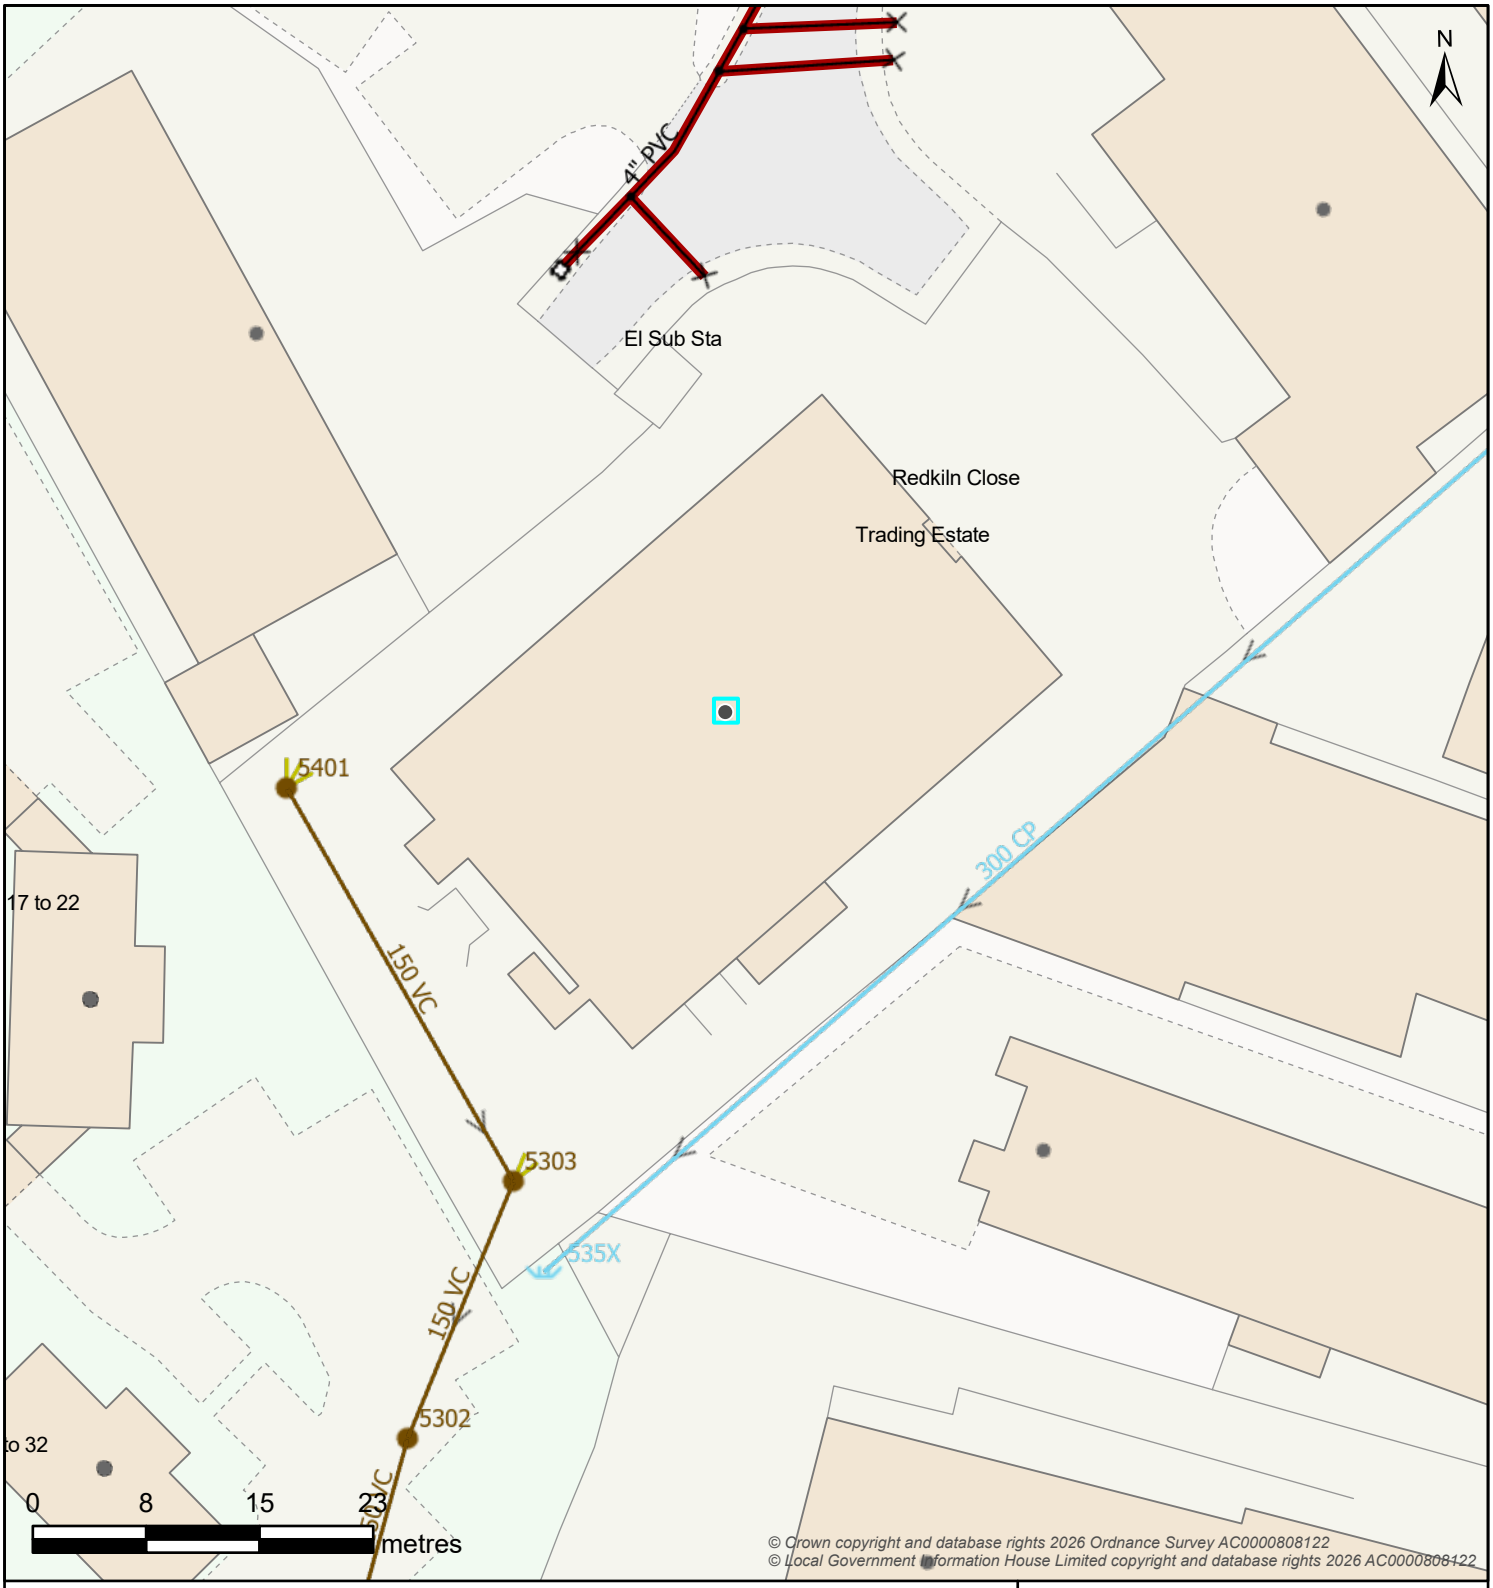

Due to legislative changes effective from 1st October 2011 regarding the ownership of sewers, it is possible that a sewer now deemed to be public could be crossing the development site. Therefore, should any sewer be found during construction work, an investigation of the sewer will be required to ascertain its ownership before any work commences on site. If this happens, please call our Customer Service Desk on 0330 303 0119.

For further advice, please contact Southern Water, Southern House, Yeoman Road, Worthing, West Sussex, BN13 3NX (Tel: 0330 303 0119).
