Subject: Permitted development of new barn farm Henfield

Good morning,

[REDACTED] I am planning on opening an agricultural training centre at the premises of new barn farm, new barn lane, Henfield, West Sussex, BN5 9SJ

Please note that the workshop space will not be being used under the proposed lease agreement

After speaking to your duty planning office last week and also inputting the details into the planning portal
Both have advised that I need to send an email with a start date, a plan drawing and also the nature of uses

Please see attached the plan drawing
The start date of the centre opening is 30/03/2026

Please let me know if you require any further information

Thank you

Kind regards
