PROPOSAL:	Surgery to 1x Oak.
REFERENCE:	DC/24/1970
RECOMMENDATION:	No objection
SUMMARY OF COMMENTS & RECOMMENDATION: No objection	
MAIN COMMENTS: Horsham Denne Neighbourhood Council Tree Warden, Andrew Dickinson, has visited the site and his report is as follows: The Oak tree is a middle-aged specimen with a broadly spreading crown. It is very dominant in the space it occupies. The crown area can be reduced by 2.5m. Any dead wood should be removed, including crown thinning to improve the sail area within the crown. The tree should be left in a well-balanced shape, in keeping with the surrounding trees in this well maintained area. Therefore, HDNC has **no objection** to this application.	
ANY RECOMMENDED CONDITIONS: As above
