YOUR COMMENTS ON THE CASE

I fully support the DC decision to reject the planning application and ask inspectorate to uphold that decision
I can see no grounds for overturning the decision and believe strongly that the appeal should be rejected
I highlight my objections to the application
1 loss of equestrian land and facilities a valuable local amenity
2negative impact on environment
3 more traffic on already busy roads , a dangerous access and added risks to cyclists
4 more pollution at a time we are trying to reduce it
5 the application including permanent traveller accommodation is totally incompatible with local area
6 there is a shortage of GP's and NHS dentists this application will make it worse
