Subject: DISC/26/0350 - Oakfield, Rusper

Dear Mr Hume,

I am reviewing the above application and can see that the application refers to DC/21/2211. However, there is a later permission under reference DC/24/0625 which varied the approved plans condition to incorporate changes to the design.

From the details available, it would appear that the latter permission was implemented. Would it be possible to confirm which of the above permissions was implemented to your understanding? This is necessary so we can ensure that the conditions of the correct planning permission are discharged.

I look forward to hearing from you, and if you have any questions, please let me know.

Kind regards,

Tamara
