Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Trees and Landscaping
Comments:	In order to preserve the leafy, countryside amenity of the lane, I would ask that any planning consent include the condition that the apple tree and hedging to the front of the property be retained intact. In addition there should be a condition requiring that the drainage ditch on the boundary with New Hall Lane be left in place because it is important to surface drainage.

Kind regards
