Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Other
Comments:	This is a great local business, I either cycle or bicycle to the site, but there are appointments so there is never any congestion on the parking space. Paul supports the community and has a network of local clients with all sorts of motivations to stay fit, healthy and socialise. He has high standards in every area, not only does he bring people together he hugely improves their lives and their outlook.

Kind regards
