#### Development

|                                                                                        |                         |                                       |
|----------------------------------------------------------------------------------------|-------------------------|---------------------------------------|
| 14. Select the type of proposed development.<br>If Other provide details at Q.25 below | Residential             | Site area must be less than 10,000 m2 |
| 15. Site area (m <sup>2</sup> )                                                        | 2025                    |                                       |
| N/A                                                                                    |                         |                                       |
| 17. Number of dwellings proposed within the development site                           | Between 1 - 9 dwellings |                                       |

#### Designated sites and priority habitats

|                                                                                                         |                                                                                                                                                                                                                                                           |                                                                                                                     |
|---------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------|
| 18. Any designated sites on or within 500m of the site?                                                 | No                                                                                                                                                                                                                                                        |                                                                                                                     |
| 19. Any priority habitats on or within 500m of the site?                                                | Within 500m of site boundary                                                                                                                                                                                                                              | Consider using main metric tool  |
| 20. List the designated sites and/or priority habitats                                                  | Priority Habitat Inventory - Deciduous Woodland (England) & Ancient and Semi-Natural Woodland situated within 200m to north of application site. Area separated from site by intervening development. Use of Small Sites Metric considered proportionate. |                                                                                                                     |
| 21. Information sources used for assessment of designated sites and priority habitats<br>(See guidance) | DEFRA Magic Maps                                                                                                                                                                                                                                          |                                                                                                                     |

#### European protected species

|                                                    |    |  |
|----------------------------------------------------|----|--|
| 22. Any european protected species present on site | No |  |
|----------------------------------------------------|----|--|

#### Site walkover

|                                                         |                                                                             |                                                                               |
|---------------------------------------------------------|-----------------------------------------------------------------------------|-------------------------------------------------------------------------------|
| 23. Site walkover completed?                            | Walkover completed by competent person                                      | A competent person should be able to confidently identify the habitats onsite |
| 24. Date of site walkover - DD/MM/YY                    | 21/01/2026                                                                  | Site walkover data valid until 21/07/26                                       |
| 25. Who completed the walkover?<br>(Name and job title) | Brian Woods BA(TP) MRTPI - Chairman &<br>Founder WS Planning & Architecture |                                                                               |

#### Additional details

|                                         |                                                                                                                                             |  |
|-----------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------|--|
| 26. Any additional information or notes | Main metric not used due to condition of habitat on site and no intervening Priority Habitat between as well as apparent lawful use of land |  |
|-----------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------|--|

| Version 1.0.0                      | Initial statutory version                                                                                                                                                                                                                                                                                                        | 29th November 2023 |
| Version 1.0.1                      | Updated to correct some labelling errors, minor formula errors and expand column widths                                                                                                                                                                                                                                          | 12th February 2024 |
| Version 1.2.0                      | Fixed some discrepancies in difficulty of creation and enhancement for 3 habitat types                                                                                                                                                                                                                                           | 5th March 2024     |
| Version 1.2.1                      | Unlocked Strategic Significance selection box for individual trees. Locked additional cells. Added version history. European protected species added to desktop assessment tab. Setting a unit target with a zero unit baseline is now optional for each module. The options for planning application type have been restricted. | 23rd July 2024     |
| Version 1.2.2                      | Fix made to error specific to Version 1.2.1 relating to area checker on Area Habitats tab.                                                                                                                                                                                                                                       | 24th July 2024     |
| Version 1.2.3                      | Difficulty of creation for actively worked sand pit quarry or open cast mine changed to medium for consistency with the main metric, 'habitat units' corrected to 'area habitat units' where appropriate.                                                                                                                        | 3rd July 2025      |
