Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Loss of General Amenity - Overdevelopment - Trees and Landscaping
Comments:	HDC and West Sussex county council, need to stop building on green space. This will cause problems with the wildlife. We don't have enough amenities like drs, dentists hospitals. Instead of building more houses think of a hospital. This will cause more flooding on the roads around the area as there is no where for the water to go.

Kind regards
