Reasons for comment:	- Highway Access and Parking
Comments:	The junction is far too close to the junction for Old Crawley Road onto Crawley Road. We use that junction regularly due to attending the nursery off Old Crawley Road and in rush hours, it is very dangerous already trying to get out of Old Crawley Road back onto Crawley Road towards the A264. If you add a second junction that close then you are adding in additional vehicles coming from that direction and increasing the likelihood of accidents. If you add traffic lights then that will jam up the A264

roundabout and cause tailbacks too. This seems like a very dangerous option.

Kind regards
