Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Loss of General Amenity - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	This area is of outstanding natural beauty and supports lots of wildlife. It will overdevelop this area and put more pressure on all our resources. The traffic and noise pollution will impact surrounding houses, There is a lack of spaces at doctors, dentists,

schools, recreational facilities and more houses will impact this further.

Kind regards
