Comments Details

Commenter Type:	Parish Council
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Trees and Landscaping
Comments:	Whilst the Parish Council does not object to the removal of dead or dying trees, the application does not make any reference to what they will be replaced with. In the interests of maintaining the verdure of the Conservation Area, the Council does not consider the bare fence that will be left behind to be sufficient and would request that HDC establishes a commitment from the applicant to replanting the site's boundary with the church yard.

Kind regards
