Comments Details

Commenter Type:	Parish Council
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other - Trees and Landscaping
Comments:	The Parish Council considers this application to be a proposed removal of a very significant amount of greenery. The Lanes Conservation area was established to protect the look and feel of the Lanes, key to which is the prevalence of trees, shrubs and plants. If this application is permitted, the Parish Council would like there to be a re-planting plan and schedule to secure the conservation of the verdant nature of the area.

Kind regards
