Comments Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: Are you actually mental? I would be able see that from house, every house would be able to see it!!!! It would be an eyesore to the area , you can't put that in a residential area. plus I work In the

shop right next to it, who knows what things are being let off from it . Give your heads a wobble.

Kind regards
