Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Loss of General Amenity
Comments:	This is an inappropriate position for this mast, situating it in a community area and on a verge by the heavily used shopping facility. It would be unsightly and too tall, taller than the buildings it is next to. This is a busy area, with lots of pedestrians using the

shops or passing to and from schools, the Holbrook club and other premises along North Heath Lane. A mast would be detrimental to the view from the café that has outdoor seating. It would also present an opportunity for defacing with graffiti, not something to be encouraged.

Kind regards
