CONSULTATION COMMENTS

TO:	Horsham District Council – Planning Dept
SITE ADDRESS:	The Vicarage, Causeway, Horsham
PROPOSAL:	Surgery to 1x Yew (Works to Trees in a Conservation Area)
REFERENCE:	CA/24/0011
RECOMMENDATION:	No objection

SUMMARY OF COMMENTS & RECOMMENDATION: No objection (see main comments)

MAIN COMMENTS:

Horsham Denne Neighbourhood Council Tree Warden, Andrew Dickinson, has visited the site and his report is as follows:

The Yew tree has been inspected on previous occasions. The tree is a mature specimen that has been growing naturally without any surgery work being carried out in recent years. It has a broadly spreading crown of approx. 12m. This tree is quite dominant in the area it occupies and is causing shade to the area, particularly to the adjacent building.
Therefore the entire crown can be reduced by 2m along with internal crown thinning to allow improved air flow. This will ensure the continued health of the tree.
The surgery should leave the tree in a well-balanced shape and improve light levels to this very shaded area.

Therefore, HDNC has no objection to this application.

ANY RECOMMENDED CONDITIONS: As above
