CONSULTATION COMMENTS

TO:	Horsham District Council – Planning Dept
SITE ADDRESS:	8 Wimblehurst Rd, Horsham
PROPOSAL:	Fell 1x Birch (Works to Trees in a Conservation Area)
REFERENCE:	CA/24/0015
RECOMMENDATION:	Objection

SUMMARY OF COMMENTS & RECOMMENDATION: Objection (see main comments)

MAIN COMMENTS:

Horsham Denne Neighbourhood Council Tree Warden, Andrew Dickinson, has visited the site and his report is as follows:

The Birch tree to the rear north-east corner of the property is a substantial specimen tree that has been reduced on a previous occasion by 25% overall.
The tree is a healthy specimen with no signs of disease or dieback.
The application is to fell the tree owing to its size and location but it is debatable if this is the right course of action.
It is therefore recommended that HDC Tree Officer, Andrew Bush, visits the site in order to make the decision.

Therefore, in view of the Tree Warden's report HDNC **objects** to this application to fell the Birch tree pending a decision from the HDC Tree Officer.

ANY RECOMMENDED CONDITIONS: As above
