Comments Details

Commenter Type:	Parish Council
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Other
Comments:	Objection. If HDC is minded to approve this application, strong conditions are needed to prohibit any non-agricultural activity or commercial activity taking place at the site. The recent, well-documented history at this site gives the Parish Council grave cause for concern. In the applicant's latest supporting statement, the wording that the "intention" is to not

carry out motor repairs should really be a "guarantee" that this activity will not take place.

The Parish Council maintains its previously submitted request that should the planning officer be minded to approve this application, it should go before HDC's Planning Committee.

Kind regards
