Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Highway Access and Parking
Comments:	One access point is insufficient for a development of 180 homes. A second access point from Doomsday Lane would ease the amount of traffic entering the Brighton Road. The Brighton Road access should have a roundabout and the 30 mph speed limit should be extended to the access point.

Kind regards
