Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Loss of General Amenity - Overdevelopment - Trees and Landscaping
Comments:	I live in the area and the proposed development and walking often in the area. The loss of green space we desperately trying to protect is not acceptable. The traffic on Brighton road is heavy as it is, and so is the traffic on the adjacent roads. Absolutely opposing over development in the area.

Kind regards
