Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other - Overdevelopment - Privacy Light and Noise
Comments:	This is beyond the existing urban boundary and increases the creep into our green spaces. This will result in the destruction of a beautiful green space, destroying the view. There are no provisions for amenities and public services which are already secret stretches for example GP surgeries. This will increase noise and light pollution in the area.

There are herds of wild Deer who use this area as their natural habitat. This will be destroyed.

Kind regards
