Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Loss of General Amenity - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	Horsham has had enough development and lines need to be drawn now to stop any more. Not enough water supply to all these new houses mean future scarcity, no local hospital, too much traffic already, infrastructure is degrading. Enough is enough the

local populace do not want this. It's purely greed on the part of developers and the council needs to stop this permanently.

Kind regards
